

HIGHLAND HERALD

MY MOTHER'S GARDEN

My mother kept a garden,
 a garden of the heart,
 She planted all the good things
 that gave my life its start.
 She turned me to the sunshine
 and encouraged me to dream,
 tenderly nurturing
 the seeds of self-esteem . . .
 And when the winds and rain came,
 she protected me enough-
 but not too much, because she
 knew
 I needed to stand strong and
 tough.

Her constant good example
 always taught me right from wrong-
 markers for my pathway
 that will last a lifetime long.
 I am my Mother's garden.
 I am her legacy-
 Her garden is still blooming,
 as long as there is me
 My stems and petals reaching high
 quietly in the breeze
 Today, I hope she feels the love,
 reflected back from me.

MEET THE HCC TREASURER KYLA JACKSON

Kyla comes by her job as treasurer honestly—before she retired, she did the books for several different companies including a family business. “I like working with numbers,” Kyla says, “but strangely enough, I hate math.”

Kyla’s husband, Jerry, was also in the finance business. The couple hails from Iowa where they were high school sweethearts. Jerry, two years her senior, went to college while he waited for her to finish high school. After their marriage, Kyla took an accounting course that started her accounting career and eventually led to her being our treasurer.

The couple have three children and four grandsons. A son and daughter are in Arizona and a son is still in Iowa. When Kyla and Jerry first retired, they lived in Iowa and visited Arizona. Then, seven years ago, their daughter in Chandler said, “You are here so much, why don’t you just move to Arizona?” And so they put their house up for sale, with the

idea that if it sold, they’d move. It sold in one week and so they were committed. Kyla says they chose our park because they liked the gated community and the houses that were ground level.

Kyla and Jerry celebrated their fiftieth wedding anniversary last fall by traveling to Hawaii. They have traveled a lot. For a while, Jerry had a job delivering RVs from Iowa to other places across the US and Kyla rode along. “We saw a lot of country! Once,” Kyla says with a laugh, “Jerry got a job delivering a cement mixer to Florida. I guess that was the oddest trip we ever took.”

Kyla and Jerry are here year round. Connie Nug, a family friend of 35 years, becomes a member of their household every winter. Connie and the Jacksons have been friends, co-workers and neighbors for over 35 years. “Connie is the creative one,” Kyla says, as she sits at Connie’s table at our recent Craft Show, selling her knitted items, from Barbie doll clothes to scarves for adults. “I’m the supervisor. I do that well.”

Jerry plays golf but until Kyla became treasurer, she kept a low profile, showing up for chair exercises and water aerobics but little else. Now that we’ve met you, Kyla, we hope you will join us in more activities!

HCC BUSINESS

Board Officers. With President Millard Copas resigning for personal reasons and Vice-President Phil Henault resigning for medical reasons, we are left without a president. To fill this gap, Dan Hargreaves offered to chair the April and October Board meetings and the four people listed below have volunteered to be contacts for any board business until we have new officers:

Dudley Jans, 396-8190
 Betty Anderson, 832-5178
 Jan McDaniel, 924-5281
 Sue Rhodes, 924-1615.

Tableware. Starting with the May Pancake Breakfast, HCC is asking that you bring your own tableware to all HCC events. Please take it home to be washed so the kitchen crew can get their job done and get home in a timely manner.

Coffee & Donuts. When Bashas closed, HCC searched for a new source for good donuts and found it at the Midwest Meat Marketplace and Bakery, just down the road. Although HCC must now charge \$1 for our Saturday morning coffee and donuts, that's still a bargain. Even if you get the 79 cent senior coffee at McDonalds, it costs more than a dollar with tax and a pastry! And you don't get to sit and visit with your neighbors while you hear the latest community news.

CINCO DE MAYO PARTY WITH KEVIN MOEN AND HIS ONE MAN BAND

Those of you who were at TGIF on the Friday night that Kevin Moen showed up and played his one-man-band for us will be happy to know he's coming to help us celebrate Cinco de Mayo on Tuesday, May 5. He plays the old favorites that we love. Bring your dancing shoes!

This last HCC sponsored event until fall is being put on by Connie Tusa, Jan McDaniel, Mary Shaw, Sue Rhodes and Barb Feit. Happy Hour starts at 4:30 PM and dinner will be at 5:30. Kevin will play from 5:30 to 7:30. Cost for dinner and entertainment is only \$5, **paid in advance** to Connie Tusa. Look for fliers with more information and a signup sheet in the clubhouse.

***Sign up and pay ahead.
 Bring your own table service and
 plan to wash it at home.***

SUMMER PANCAKE BREAKFASTS

Millard Copas and his crew of helpers have offered to do an HCC sponsored Summer Pancake Breakfast on the first Saturdays of the month from May through September starting at 7:30 AM. Read Millard's Highland's Happenings email or watch for fliers for more details. The first one will be on May 2nd. You can pay at the door. Let's all show up and enjoy a good meal.

*Our local AAMHO officers:
Tom Feit, President, and Irene Helm, Treasurer.*

“WHY DO WE LIVE IN A MANUFACTURED HOME?”

This is a question that many friends have asked. Well, our usual answer is, “We enjoy the life style.” Several recent studies support our choice. Manufactured homes appeal to a wide range of demographic groups. In our country, 22 million people, with an average age of 54.1, live in manufactured homes. Of these, 19 million live in their 8 million homes full-time.

Manufactured housing provides quality-built, affordable homes. In fact, affordability is a key factor in the growth of manufactured housing. At an average cost of \$43,800 it is clear that a manufactured home is much more affordable than a site built home at an average cost of \$136,425 (excluding land price).

According to a study by Foremost Insurance Company, most manufactured home owners report satisfaction with their choice. Likewise, a recent Owens

Coring Study, conducted by National Family Opinion, found that 93% of manufactured home owners are satisfied with their housing choice. We count ourselves as part of that group.

AAMHO Forms.

Forms to list any issue you may have for local AAMHO consideration are available at the clubhouse. The form published in the April issue of Highland Herald and is available on the Online Herald site. Just take one, (or download it) fill it out and give to one of the officers listed at the bottom of the form. **You can list anything that affects you personally, or a community concern like something to do with the clubhouse, pool or roads as well.** Please remember that some of us escape from this Valley of the Sun for parts of the summer, so a quick response may not be “as quick” as during the winter months.

The officers of Highland at Brentwood AAMHO urge you to enjoy these first months of summer.

The flower photos in this issue are from around Canyon Lake. They are in color so they are best seen online. Apologies to non-computer users—I just had to share these fun spring photos.

WHY...

...do drugstores make the sick walk all the way to the back of the store to get their prescriptions while healthy people can buy cigarettes at the front?

...do banks leave both doors open and then chain the pens to the counters?

...do we have drive up ATM machines with Braille lettering?

...is "abbreviated" such a long word?

...is it that doctors call what they do "practice?"

...is the man who invests all your money called a broker?

ROAD REPAIR CREW AT WORK

Last month, we had some road work done. While the roads do look better, new potholes appeared after the bid was in and before the work was done. Sadly, this new damage will have to wait for the next round of repair work, whenever that will be.

SUMMER EXERCISE

When it's too hot to exercise outside, you can still come to pool for water aerobics on Mondays, Wednesdays and Fridays at 9 AM and to the clubhouse for aerobic dance on Tuesdays and Thursdays at 8:00 AM. These varied exercises are a great way to start your day. An exercise routine that changes and broadens your physical abilities and actually may have a role in preventing dementia. It might also keep you from being bored and quitting!

Come on down, ladies! You'll end up with more energy, have a fun visit with your neighbors and feel good about taking care of your body.

Joyce Krystofiak, Mary Shaw and Ann Baster

Water. Our leader, Ann Baxter, has led water aerobics in other parks and she knows her business. She keeps us moving with an ever changing variety of exercises, accompanied by laughter and singing that makes the hour go quickly.

Dancing. Mary Shaw brings her iPod for a half hour of free form dancing to old favorites. Laughter and chatter are as much a part of the program as is the dancing. We sing. We do the Chicken, the Hokey Pokey and the Slide. We stretch and we march and we dance. And we have a great time. Come join us. Chair dancers welcome!

Models Adelle Genow, Ann Barager, Marion Severson, Mary O'Connor and JoAnne Anderson with BonWorth staff.

LADIES LUNCHEON

There will be no Ladies Luncheon in May, due to conflicts with Memorial Day.

In March, our annual style show, sponsored by BonWorth, was a great success with over 50 ladies in attendance. Our models Ann Barager, Adele Genow, Mary O'Connor, Marion Severson and JoAnne Anderson did a great job.

Thanks to Ann Barager and Shirley Leppink who helped set up, take money and clean up and a special thanks to Gail and Jeri Anshutz who stepped up at the last minute to help the models dress and to Marion Severson who put out those fliers that helped us remember to show up. And finally, thanks to Jewette Raymond and Jean Marshall-Pryde of BonWorth who made the show possible and for the \$25 gift certificate they donated.

The money from the raffle of this certificate will be used for our summer Ladies Luncheon activities. Irene Helm, #227, 248-7998, is our summer facilitator. Make her job easier by volunteering to be a hostess for one of the summer months. All this entails is finding a restaurant, making reservations for 20 or so ladies and making simple individual favors if you want to.

THE RED HATS RIDE THE RAIL

Last month, the Classy Lassies rode the Light Rail Line for their outing. Barb Peters tells about their trip:

After debating the wisdom of catching the feeder bus on the corner of Main and Val Vista we decide instead to car pool to the start of the line on Main and Sycamore. Another hurried meeting to decide which car to use, and we are off. At Sycamore, we leave our car in the parking lot and head for the train platform. Visiting and chattering, and enjoying a typical Arizona spring day, we hardly notice the block long walk.

Now for the ticket machines! We've just started debating which of the several ticket choices to buy, when the standing train leaves the station. Oh well, there's always another one. The sun shining on the information screen makes it difficult to read but we persevere. Hmmm, a one-day pass for \$2.50? Or a one-ride ticket for seniors at \$.60? We finally conclude that two times \$.60 seems like the best bargain so we buy our tickets. Ah, here comes the next train! We board and face another choice. Do we want to ride backward? Hmmm, maybe not. How about the side seats? Good choice.

A smooth take off and we are on our way. A few stops later we are in ASU

territory, where the students make good use of the rail going from one part of the campus to another. See the young couple over in the corner. Ahh, young love. Soon we are alongside Tempe Town Lake. Wow! Water in the desert! A few more stops, and we are in downtown Phoenix. Look! There's Chase Field just a block away. What an easy way to get there! Oh, oh, here's our stop--Copper Square. Get moving, ladies.

The train pulls out leaving us standing on the platform, feeling like tourists. Heads swiveling every direction, we started walking. We pass a young man crossing the street and he looks at us in our red and purple. "I didn't expect to see flowers today," he says. We laugh and say we're glad to brighten his day. It's noon and lots of business people are having lunch outdoors

in patio restaurants. Others are hurrying back to work, carrying white bags of food to eat at their desks. We go along gaily, chattering and pointing out the sights.

Our goal is an Irish pub near the Hotel San Carlos. In front of the pub, we find ourselves walking on the stars. Gold stars, with celebrities' names inside. "Here's Clark Gable!" and "I just walked on Marilyn Monroe!" It seems that with the Orpheum Theatre

(Continued on page 10)

(Continued from page 9)

close by, the San Carlos has been frequented by many celebrities over the years, whose names are now memorialized in these large gold stars. What fun!

By the time our eyes adjust from the bright streets to the pub's gloominess, our waitress Christy has distributed menus with many interesting choices—oh, not more choices! Soon she is back, and we decide on a variety of selections. Good food all! We clean our plates in short order and we are once more ready to roll.

We walk a couple of blocks back to the homeward bound train platform where, tickets in hand, we board the train without having to deal with ticket machines and more choices. This time, we share our car with a man who is sound asleep. At the Washington and 43rd St. stop, a couple gets on with their luggage. They tell us they took the feeder bus from the airport and are on their way to meet their son who is waiting at the end of the line, where our car is also parked. He lives in Apache Junction and thinks this is a splendid arrangement. "We're from Minnesota," they say as we visit. "We're going to be here a week and are looking forward to enjoying a change from snow and cold." Nice folks.

All too soon we must disembark. "I hope he wakes up in time to get off at his stop on the trip back downtown," someone says as we pass the still sleeping man. The rest of us laugh quietly and nod. It was a great outing with good friends.

SUMMER HERALD DELIVERIES

Our delivery people are pretty special. Other parks seldom have such an organized system for getting their newsletter and fliers out right to everyone's home. Betty Olson has done a great job recruiting people and keeping her crew working like clockwork.

However, summers have presented a challenge with Betty and many of her crew gone. Last year the delivery job fell to our Area Representatives. This year, Betty worked hard and found enough full-timers to fill in until fall.

Dorothy Chapman, #165, (969-7697) has agreed to take over for Betty while she's gone, and some other full timers have stepped help out too. Besides Dorothy, the summer crew includes Wayne Hill, Lois Crooks, Dudley Jans, Gwen Burrows, Barb Morrissey, Irene Hernandez, Jim and Polly Wenbourne, Jerry Bernard, and Gail Anshutz. Thanks to Betty for her special effort and to Dorothy and her crew for stepping up and keeping our unique delivery system viable all summer.

FROM YOUR EDITORS

Life has not gone smoothly of late here at the Highlands. Perhaps we need some lessons in the democratic process, in being grateful for our volunteers and in being less critical of what they do or don't do. There have been many bad examples of how to work with volunteers flying around but we saw a good example at our last board meeting. Millard Copas, unhappy the Pancake Breakfast was cancelled for lack of signups, volunteered to do the Pancake Breakfasts for the summer—a positive move. And Mary Shaw, who has been doing them for some time, said she'd be glad to have the summer off—a positive answer. A win-win for everyone!

This is not an either-or, Millard or Mary, your side or my side situation. It is an HCC event and we can support the park by supporting the event, no matter who is in the kitchen!

With this issue, we begin our bi-monthly summer schedule. You will get the Herald in May, July and September. There is less to report during the summer months when so many of us are gone and more importantly, this schedule allows your editors to publish while we travel. Just e-mail your items to us. Those without computers can leave the information on Marlene Edwards's clip at #134 Desert or call her at 786-6050. Thank you, Marlene!

We invite you to send us e-mails about what you are doing at home. If we get enough of them for a column, we will include these in the Herald.

NOTES FROM ELS

From the Manager,

This month I'm using my space to tell you of some things we can do for residents:

1. We can mail the Herald to your summer home if you provide an **8.5 x11 stamped self-addressed envelope and \$1.08 postage for each issue.**
2. Elizabeth is a notary and she is happy to notarize your legal papers for you for free.
3. Although our copier is not available to residents, there is one at Hacienda you can use. The first 5 copies are free and more are only a penny each.

Enjoy your summer!

Suzanna Spann-Hernandez,
Community Manager

From the ELS Activities Director,

I hope you all are able to get out and enjoy the wonderful weather before the temperatures soar.

We have had some great parties at Hacienda and I am again extending the invitation, that anytime we have a function or party, the residents from the Highlands are more than welcome. I will post it on your bulletin board.

We are planning a "Second Time Around" party where we'll collect clothes, shoes, purses, belts and jewelry you normally would donate to some Thrift store. A few volunteers will sort them, and then we'll have a party. You can shop and pick whatever you want for FREE. There will be a light luncheon served before the "shopping" and the charge for that would be \$3.00. If it is as successful as it was in another community, we'll have it once a year. I had a lot of fun doing that. Any unwanted items can be donated to a women's shelter.

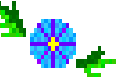

*Forgive, You will have happiness.
Forget, You will have satisfaction.
Forgive and forget, You will have everlasting peace, Within and without.*

Take care!
