

HIGHLAND HERALD

DAD AT THE BARBEQUE

Mother is trying
to keep the rolls warm
Dad's late cooking the chicken
while fighting the bees that swarm.
The potatoes are burned
(and so is Dad's thumb),
We kids are so hungry,
our stomachs are numb.
Just as we're desperately thinking
of sneaking a treat,
Dad hollers, "Hey! You guys ready to eat?!"

The hood is lifted,
Smoke unfurls to the top
The aroma of food,
makes our starved senses pop!
Besides chicken there's burgers,
dogs, and sweet smelling ribs,
'Let's eat!', yells my siblings,
as we don paper bibs.
My mother is smiling,
Dad winks to his favorite girl,
He's king of the BBQ, our hearts, and the world!

HELP! DIRECTORY UPDATES NEEDED

For the first time since I started using a computer in the early 80s, my main hard drive died beyond redemption. We still have the data for the Highlands Directory collected in 2009, but the **file with the most updated information was lost**. Therefore, if anyone sent me a **correction, change or addition** for the Highlands at Brentwood directory, **Please send it again**. And if you should have sent us a correction and haven't gotten around to it, now's the time! Thanks everyone. Helen Whitworth

SUMMER TOPS**(TAKE OFF POUNDS SENSIBLY)**

The Highland's chapter of TOPS is continuing to meet all summer long. David Tobey, #111, phone 664-1618, is the leader for the summer.

Meetings are held at the clubhouse on Tuesdays, with weigh-in at 10:45, followed by a meeting stressing weight loss and wellness. All interested men and women are welcome to visit a meeting and join our organization.

HAPPY BIRTHDAY, RALPH

On July 2nd, at TGIF, we will celebrate Ralph Wilson's 99th birthday. Ralph is a long time resident and was originally one of the "gang of four" residents who celebrated their mutual birthdays together. He and his family will join us for the TGIF event and share the Sloppy Joe Sandwiches and then his Birthday Cake. However, not wanting to activate the smoke alarms we will probably not be using 99 candles. :-)) Please bring a dish to pass and a birthday card for Ralph to enjoy. What a milestone in Ralph's life!

FOURTH OF JULY CELEBRATION

On the 4th of July, Don Richer will throw his annual party. Please come and join us. Swim in the afternoon if you like and then social hour will be at 4:30 PM and dinner at 5:30 PM. Don plans to fry Bratwurst and serve watermelon for dessert. This is a free event for HCC members but there will be a \$2.00 charge for non-members and guests. Bring some money along for the 50/50 drawing. Who knows you may be the lucky winner.

2010 HIGHLAND'S REUNION

2010 Summer Highland's Reunion will be held in Clear Lake, Iowa on August 16-17th. Information is posted in the clubhouse and on the golf board. For further information, contact Betty Olson at elizabeth.olson95@yahoo.com or at 641-585-4153.

**HCC COPIER**

The HCC copier now lives with Neil Stone, #34. If you need to do some printing, you can call his cell at 250-0234 and let it ring at least 5 times. (He says he's slower than he used to be!) A dime for the first copy and five cents each after that.

If you want to print for even cheaper, go to Hacienda and ask to use the resident's copier. The first five copies are free and more are a penny each.

AND YOU

Thom Feit sent me a short message about what had happened with the suggestions we all submitted but it has been lost in the debris of our travel. I will try to repeat here what I remember:

Many people did submit suggestions for park improvement. Thom in turn submitted them to several ELS personnel. However, he has not heard anything as of the time of his message, which was around the second week in June.

THE HIGHLAND HAPPENINGS

Sandi Wilson puts out a great weekly email newsletter. If you aren't getting this and want to, be sure to get your email address on her list. Just email her at sswilson@iupui.edu and request that she add you.

MY GRANDMOTHER MARY

I hear that I wasn't clear about letting people know that this was my grandmother on the front page of the May-June issue of the Herald, not Deborah's. Sorry about that! Helen Whitworth

MANAGER'S MINUTE

The trees will be trimmed in July. Please move any breakable items from your yards, so the falling palm limbs will not cause damage to any of your statues and yard decorations.

Yard inspections will be done all on yards mid to late July. With the wet winter and gorgeous spring we had there has been a lot of growth this year. Your attention to keeping your yards trimmed and free of weeds is much appreciated. Thank you to all of you who do such a great job keeping your yards neat and clean!

EDITOR'S NOTES

We are in California, enjoying nice sunny weather —neither too hot nor too cold! We have not had much contact with folks in the park so we don't really have anything to comment on...

This issue is a real "bare-bones" summer issue with little news. Also we were very busy about the time we needed to be getting this done and sent out to be proofed. Please forgive any mistakes you find. They are ours, not the proofers! Do check your birthday and anniversary dates. If some are wrong or missing, please let us know. Helen's computer died (see page 3) and so we are using an older version of the birthday-anniversary database.

We hope to be able to do a Sept-Oct. issue too, but that will depend on both our connection to the internet at that time and our work load—we will be back in California and have several shows scheduled then.
